# REWARDS CLUB MEMBER NEWS

*We're making  
some changes  
beginning July 1st*

Potts Rewards is a great benefit for our loyal and frequent guests. We appreciate your patronage!

## HERE'S WHAT'S NEW...

- ▶ Earn 1 point for every \$2 spent and redeem a free \$10 dining credit for every 200 points.
- ▶ Every Tuesday continue to earn 2x points.

## WHAT'S NEXT?

During the first two weeks of July, your account will receive an adjustment to counterbalance our new accrual rate—so your existing account balance in dollars will not decline. If you have have \$25 in credits now, you will have \$25 in credits after this transition. *(Example: 200 points is worth \$20 today, and 400 points will be worth \$20 after the transition. If you have 200 points in your account today, you will receive an*

*adjustment for 200 points during the first two weeks of July, which will allow you to retain the same \$20 value in your account.)* The only change is the rate at which you accrue points from July 1st forward (1 point for every \$2 spent, with \$10 in rewards available for every 200 points you accrue.)

We appreciate our Rewards Club Member guests and we look forward to serving you!
